Sent on behalf of Michele Kramer, WLUFAs President

Dear Members,

As you may or may not know, WLUFAs has always had faculty representatives on various bilateral University committees constituted to address issues of equity -- though these committees have dealt primarily with keeping an eye on pay equity, as well as gender equity as it relates specifically to hiring practices.

It is time, therefore, that the Association finally instituted its own Diversity and Equity Committee -- one that will help to guide WLUFAs in addressing a much wider spectrum of issues as they relate to our diverse Membership.

If you would be interested in volunteering your time in order to serve your colleagues in this way, please send an email to Linda Watson at WLUFAs -- lwatson@wlu.ca -- and, perhaps, take a few moments to tell us why you are interested in serving on this particular committee.

WLUFAs hopes, of course, to have a variety of voices on this committee but we are interested in hearing from all enthusiastic individuals!

Sincerely,
Michele Kramer
WLUFAs President
