Re: Brantford Foundations

Whereas the Brantford Campus has established a series of courses called "Brantford Foundations ", and

Whereas "Brantford Foundations" is not a program in which students can minor or major, and

Whereas, for administrative purposes, Brantford Foundations requires a clear structure for academic governance, and

Whereas the Faculties of Liberal Arts and/or Human and Social Sciences may want to appoint a full-time faculty Member to a position in Brantford Foundations, and

Whereas full-time faculty are appointed to a program that offers a minor or major,

The Parties agree that the Brantford Foundations Program will be treated as the equivalent to a Program for the purposes of the WLUFA Full-time Faculty and Professional Librarians Collective Agreement and the Part-time Contract Academic Staff and Part-time Librarians Collective Agreement.
