**Re: Business Technology Management (BTM) Area and Appointment and Promotion Committees for the Department of Business (Article 13.12.5)**

Whereas effective July 1, 2013, the Business Technology Management (BTM) program located at the Brantford campus will become an academic sub-unit within the School of Business and Economics, Business Technology Management Area, as approved by Senate on April 16, 2013; and

Whereas the BTM program has advertised and will be proceeding with the review of applications for a full-time tenure track position in the BTM Area to start July 1, 2013 or later;

The Parties agree that:

- a) the hiring process for this position shall follow the procedures under Article 13;
- b) the Appointment Committee for the BTM Area shall be formed prior to July 1, 2013 and shall follow procedures under Article 13.12.5; and
- c) as per Article 13.12.5.1(c) the BTM Area shall elect a permanent member on the Department of Business Appointment and Promotion (BDAP) Committee. This election shall occur prior to July 1, 2013.
