Re: Brantford Foundations Governance Structure

Whereas full-time faculty are appointed to a program that offers a minor or major, and

Whereas Brantford Foundations Program will be treated as the equivalent to a Program for the purposes of the WLUFA Full-time Faculty and Professional Librarians Collective Agreement and the Part-time Contract Academic Staff and Part-time Librarians Collective Agreement; and

Whereas the minutes from the February 26, 2014 JLC meeting reflect that the duties of the coordinator position would be reviewed after a period of 12 months;

The Parties agree to defer the review for an additional 12 months. For greater clarification, the review of duties will commence March 2016 and will be completed by June 30, 2016 and will be conducted jointly by the Dean of Liberal Arts and the Dean of Human and Social Sciences and one present or former Brantford Foundations Program Coordinator or a member of the Brantford Foundations Coordinating Committee. Position Duties will be drafted as part of this review.
