

Letter of Understanding
Between
Wilfrid Laurier University
And the
Wilfrid Laurier Faculty Association

Whereas Decanal Search Committees for Faculties with both graduate and undergraduate programs include one graduate student and one undergraduate student (Article 11.2.5(i), (iii), (iv), (v), (vii), (viii)); and

Whereas the Decanal Search Committee for the Faculty of Education (Article 11.2.5(ix)) does not include a graduate student due to the fact that Faculty's graduate program was paused because of funding cut-backs when the Article was negotiated; and

Whereas the Faculty of Education began admitting graduate students again in 2016; and

Whereas faculty members will remain in the majority on the committee (7 faculty and 6 non-faculty) with the addition of one graduate student;

The Parties agree to modify Article 11.2.5(ix) in include 1 graduate student from the Faculty of Education, effective for the current search process and to be reviewed upon renewal of the Collective Agreement in 2020.
